

# SERVICE BULLETINS

BUILT IN BRITAIN - BACKED BY RENAULT 

I HAVE CREATED THIS INDEX FOR THE DODGE / RENAULT 50 SERIES MANUAL THAT I HAVE  
SCANNED AND GREG AT DODGE50.CO.UK HAS KINDLY HOSTED.

ALL OF THIS IS FREE FOR USEAGE AND IS NOT TO BE PAID FOR, TO THE PEOPLE / COMPANIES WHO  
HAVE WRITTEN THESE MANUALS THANKYOU FOR ALL OF YOUR ORIGINAL HARD WORK.

THERE ARE MANY ERRORS IN THIS INDEX, HOWEVER MY IDEA WAS TO GET SOMETHING  
TOGETHER FOR PEOPLE TO USE AND TO LATER SORT THE ERRORS, SO AS YOU FIND ERRORS  
PLEASE LET ME KNOW.

THIS MANUAL IS NOT COMPLETE SO IF YOU HAVE OTHER SECTIONS PLEASE LET ME KNOW

I WOULDN'T RECOMMEND THE DOWNLOAD OF THIS PDF OR THE MANUAL DUE TO AS I UPDATE  
THINGS THE LINKS WILL CEASE TO FUNCTION.

TO USE THE MANUAL, USE THIS INDEX TO GO TO WHICH SECTION YOU WISH TO VIEW, THAT WILL  
TAKE YOU TO THE INDEX PAGE OF THAT PART OF THE MANUAL.

MIKE  
mikejamson@hotmail.com
